ANNUAL MEETING

You're Invited - 2017 Annual Meeting

As a valued Credit Union member, you are also an owner, and your voice is important. You have the power to express your concerns and exercise your right to vote at the Annual Meeting and Election. It is also an opportunity to get updated on the state of the credit union and get connected with CU management and leadership, as well as with other member-owners.

At the 2017 meeting, members will learn about the credit union's current financial status, products and services, accomplishments and innovations over the past year, as well as goals for the future. You will be able to ask questions, take part in the election of incoming credit union officers, and meet other members of the credit union community.

Please join us for this worthwhile and informative evening on March 8th, 2016 at 4:30pm to be held at 160 Industrial Drive.
